

HOLMEN VIKING WRESTLING CLUB

UPDATE: 2021 YOUTH WRESTLING SEASON

Like many other opportunities impacted by the COVID-19 pandemic and guidelines for the School District, the Holmen Viking Youth Wrestling Program has been unable to host practices in the wrestling room at Holmen High School. After meeting with the High School Athletic Director we anticipate being able to use new facilities at some point once in person learning is up and running. However the start date has yet to be determined. Please read the information below. There have been several changes to the way the program has been organized in previous years.
